47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im residential customer and I want you keep competition of providers. I want to have choice for better and faster service, not to stuck with 1 or 2 providers, that dictate a high prices with bad service and they will have no competition on market . We have anouth before from ATT, that entrease prices, but not improve service, sale to us bundle of services, that we want to have, but we have to pay.
